"My wife and I had the best time at the Windridge Adult Camp. The instruction was excellent. They did a terrific job mixing and matching the various ability levels. It was fun meeting the other guests. The accommodations were charming and comfortable. And the meals were delicious and plentiful. All in all it was a really wonderful experience!"

The Directors

The Windridge Tennis & Golf Camps are under the direction of Ted & Nanny Hoehn. Ted has been a high ranking New England and National player most of his life. He has played in the U.S. Open five times; he's a five-time U.S. Senior Doubles Champion; and World Senior Doubles Champion in 1996. He also has a long history as a successful coach. Nanny is a talented all-around athlete who has played in countless tennis and golf tournaments around the country. Together they will play hosts to a memorable and rewarding four days of fun in the Green Mountains of Vermont. The rest of the staff will include a mixture of college coaches, teaching pros, and college players from around the world. The camp will maintain a ratio of one instructor for every four students.

The Daily Schedule

8:00-9:00	Breakfast
9:30-12:00	Tennis/Golf Instruction
12:30-2:00	Lunch and Rest
2:30-5:00	Tennis/Golf Instruction
6:00-7:00	Social Hour
7:00	Dinner

The Program

The program includes five hours of instruction each day. Students may sign up for either all tennis, all golf, or a combination of half a day of tennis and a half a day of golf.

The Tennis Program emphasizes the importance of sound fundamentals, such as early racket preparation, proper footwork and balance, and being aware of your opponents position on the court. Lots of time will be focused on both singles and doubles strategy. Mental toughness - the bane of many players - is also an important component of being a more successful competitor. Players are grouped according to their ability and experience.

The golf portion of the Adult Camp consists of instruction in putting, chipping, driving, sand work, and course management. Golf etiquette, including pace of play, and an understanding of the rules, will also be emphasized.

Our goal is to have everyone leave Windridge a much improved player, as well as to thoroughly enjoy the whole experience.

2021 Dates & Rates

There are three Windridge Tennis & Golf Camps scheduled for the summer of 2021. Each session runs for four days, starting at noon on Wednesday, and running through noon on Sunday.

The dates for the camps are as follows:

July 15-18; August 5-8; August 26-29

The cost of the Windridge Adult Camp is \$1500 per person. This includes all instruction and play, meals, lodging, and a social hour before dinner. Transportation to and from the Burlington International Airport (60 miles from camp) may be arranged at an additional charge of \$100 round trip.

Facilities

The tennis courts at Windridge are amongst the best red clay courts in the country. They are easy on the legs, and always offer a true bounce.

The golf program is conducted at the nearby Northfield Country Club. This beautiful nine-hole course was purchased last year by Ted Hoehn. It was founded in 1927, and it has been ranked many times as the top nine-hole course in Vermont. There are different tee boxes for the back nine. The course is quite hilly, and is considered to be both challenging and fun. The clubhouse at NCC has a fully stocked Pro Shop and Bar, and a lovely Dining Room that overlooks the first hole. With the addition of NCC, Windridge is now able to offer golf as a "major" to its young campers.
